Karl G. Harr, Jr. Photographs

Transferred from collection: Harr, Karl G., Jr., Papers, 1943--1996

2004-11-1—2

Photos of relatives of Karl Harr, sent by A.T. Harr, Monrovia, CA; taken in Stuttgart, Germany, in 1957.

2004-11-1: "Easter Sunday '57, Stuttgart, Germany"; one 3 ½ x 3 ½ b/w print.

2004-11-2: "From school in London for Christmas holiday—Richard – 14 years, Susan – 12 years—arrival in Stuttgart Dec. 18, 1957"; one 3 ½ x 3 ½ b/w print.

2004-11-3—20

Photos of trip by Karl Harr to Antarctica, Jan. 1960. U.S. Navy Photos.

2004-11-3: (Harr?) boarding plane; one 8x10 b/w print.

2004-11-4: Dr. James E. Mooney, Deputy Antarctic Projects Officer, inspects the bug net set up by USARP Scientists at NAF McMurdo Sound, Antarctic. 1/23/60 NAF McMurdo; Barfield"; one 8x10 b/w print.

2004-11-5: "Dr. James E. Mooney, Deputy Antarctic Projects Officer looks at cross in memory of one of Scott's men who perished near this spot. The ship in the background is the USCGC Eastwind (WAGB-279). 1/23/60 NAF McMurdo; Barfield"; two 8x10 b/w prints.

2004-11-6: "L/R: Dr. James E. Mooney, Deputy Antarctic Projects Officer, RADM D.M. Tyree, USN, COMNAVSUPPFOR ANTARCTICA, Lt. Clay Dumais, (NC) USN OinC Pole Station, Mr. Karl G. Harr, Jr., Special Ass't to the President, holding RADM R.E. Byrd's flag at the South Pole Station, Antarctica. 1/27/60 NAF McMurdo; Marble, PHI."; same as 2004-11-38. One 8x10 b/w print.

2004-11-7: "L/R Karl G. Harr Jr. Special Assistant to the President of the U.S. and Dr. James E. Mooney, Deputy Antarctic Projects Officer admire the condition of fifty year old dog sled at Scott's Hut on Hut Point. NAF McMurdo; Barfield"; same as 2004-11-36. One 8x10 b/w print.

2004-11-8: "Pole Station personnel preparing cargo to be loaded during C-130A supply flight. 1/27/60 NAF McMurdo; Marble, PHI"; Same as 2004-11-43. One 8x10 b/w print.

2004-11-9: "L/R Mr. Karl C. Harr Jr. Spec. Ass't to the President; Dr. James E. Mooney, Deputy Antarctic Projects Officer; RADM D.M. Tyree, USN, COMNAVSUPPFOR ANTARCTICA; and LTCOL W. Turk, USAF, C.O. 61sst TCS at the South Pole Station during a resupply run. 1/27/60 NAF McMurdo; Marble, PHI"; same as 2004-11-39. One 8x10 b/w print.

2004-11-10: "L/R Mr. Karl G. Harr Jr. Special Ass't to the President and RADM D.M. Tyree, USN, COMNAVSUPPFOR ANTARCTICA at entrance to the South Pole Station, Antarctica. 1/27/60 NAF McMurdo; Marble, PHI" (Signed "With best regards to Karl Harr—David M. Tyree Rear Admiral US Navy Command Naval Support Forces Antarctica."); same as 2004-11-40, except for signature. One 8x10 b/w print.

2004-11-11: "Task Force 43, Christchurch, New Zealand; Date Taken 1/23/60, made for SIO. Dr. James E. Mooney, of the U.S. Antarctica Projects Office (l) shows a pair of thermo boots to Mr. Karl G. Harr, Jr., Special Assistant to the President of the United States as the two get outfitted with cold weather gear in preparation for a flight to Antarctica. They left Christchurch Saturday 23 Jan., in a C-130 Hercules aircraft for McMurdo Sound. Mr. Harr is on a informal inspection tour of American facilities in Antarctica." One 5x7 b/w print.

2004-11-12: "Task Force 43, Christchurch, New Zealand; Date Taken 1/23/60, made for SIO. Mr. Karl G. Harr, Jr., Special Assistant to the President of the United States, (l) and Dr. James E. Mooney, of the U.S. Antarctic Projects Office board a C-130 Hercules on Saturday, 23 Jan. 1960 to fly to Antarctica. Mr. Harr is making an informal inspection tour of the U.S. Navy's Operation Deep Freeze Bases. Seven of the giant planes took off from Harewood Saturday and are due to start flying cargo to inland bases this week." One 5x7 b/w print.

2004-11-13: "6/11/57—Operation Deep Freeze—Paul Walker (L) weighing snow samples from coring auger while Hugo Neuburg takes data so that snow density may be determined." One 5x7 b/w print.

2004-11-14: "Operation Deep Freeze—U.S. flag and snow at LA5." One 5x7 b/w print.

2004-11-15: "10/7/57—Operation Deep Freeze—Men in cooking wannigan on the LA5 to Byrd Base Trail." One 5x7 b/w print.

2004-11-16: "9/11/57—Operation Deep Freeze III—Panoramic of Ellsworth Station, Antarctica at sunrise (Segment #2 of 4)." One 5x7 b/w print.

2004-11-17: "11/12/57—Operation Deep Freeze III—UC-1 Otter aircraft flying over the traverse Sno-Cats in the field to bring them supplies and fuel." One 5x7 b/w print.

2004-11-18: "10/13/56—Operation Deep Freeze—Ice on USS Glacier (AGB-4)." One 5x7 b/w print.

2004-11-19: Caption very faint. "1/20/57—Operation Deep Freeze—Selected specimens trawled from the bottom of the Weddell Sea at 164 fathoms by the USS Staten Island (AGB-5)" One 5x7 b/w print.

2004-11-20: "12/28/58—Operation Deep Freeze—RADM. D.M. Tyree entering R4D-8 #9853 just before his first trip to the South Pole." One 5x7 b/w print.

2004-11-21—24

Photos of Karl Harr in Washington, D.C., c1958-60.

2004-11-21: Portrait, head and shoulders, of Karl Harr; one 8x10 b/w print.

2004-11-22: DDE presents Harr with a rolled document; same as 2004-11-27. One 8x10 b/w print.

2004-11-23: Signed, "American Red Cross, Washington, June 21, 1960. To Karl Harr—the "Brain" on the left side of the table. Many thanks, Alfred M. Gruenther." The photo shows Harr (right), Gruenther (2nd from right), and two other men at a table. One 8x10 b/w print.

2004-11-24: Photo of Karl Harr seated at his desk; one 8x10 b/w print.

2004-11-25:

“Washington, D.C.—Mr. John E. Moore (left), Director, Personnel Div., Office of the Secretary of Defense, swears in Mr. Karl G. Harr, Jr. (right), as Deputy Assistant Secretary of Defense (International Security Affairs), as Mr. Gordon Gray, Assistant Secretary of Defense (ISA) (center) looks on. 21 November 1956”; Two 8x10 b/w prints.

2004-11-26—27

Karl Harr is sworn in as Special Assistant to the President (for Security Operations Coordination); Washington, D.C., 1958. Credit: Wild World Photos.

2004-11-26: Harr takes oath with hand on Bible held by DDE; one 8x10 b/w print.

2004-11-27: Harr receives rolled document from DDE; same as 2004-11-22. One 8x10 b/w print.

2004-11-28—35

Photos from visit of the National Security Council to the Franklin D. Roosevelt (CVA-42), an aircraft carrier. Credit: U.S. Navy.

2004-11-28: April 14, 1957; two 8x10 b/w prints.

2004-11-29: Group shot on flight deck, April 15, 1957; two 8x10 b/w prints.

2004-11-30: A plane takes off from the carrier, April 2, 1957; two 8x10 b/w prints.

2004-11-31: April 14, 1957; two 8x10 b/w prints.

2004-11-32: An overhead view of the carrier, with the caption: “WELCOME ABOARD NATIONAL SECURITY COUNCIL—APRIL, 1957”. Similar to 2004-11-35. December 8, 1956; two 8x10 b/w prints.

2004-11-33: Taking photographs on the flight deck, April 15, 1957. Two 8x10 b/w prints

2004-11-34: April 15, 1957. Harr is second from front. One 8x10 b/w print.

2004-11-35: Overhead view of the carrier, without caption; Dec. 8, 1956.

Similar to 2004-11-32. One 8x10 b/w print.

2004-11-36—4

Photos of Harr’s trip to Antarctica, Jan. 23-27, 1960. Credit: U.S. Navy.

2004-11-36: “L/R Karl G. Harr Jr. Special Assistant to the President of the U.S. and Dr. James E. Mooney, Deputy Antarctic Projects Officer admire the condition of fifty year old dog sled at Scott’s Hut on Hut Point. NAF McMurdo; Barfield”; same as 2004-11-7. One 8x10 b/w print.

2004-11-37: “Mr. Karl G. Harr Jr., Special Assistant to the President of the U.S., looks at the huge nets set up by USARP personnel for catching insects in the Antarctic. 1/23/60 NAF McMurdo; Barfield”; one 8x10 b/w print.

2004-11-38: “L/R: Dr. James E. Mooney, Deputy Antarctic Projects Officer, RADM D.M. Tyree, USN, COMNAVSUPFOR ANTARCTICA, Lt. Clay Dumais, (NC) USN OinC Pole Station, Mr. Karl G. Harr, Jr., Special Ass’t to the President, holding RADM R.E. Byrd’s flag at the South Pole Station, Antarctica. 1/27/60 NAF McMurdo; Marble, PHI.”; same as 2004-11-6. One 8x10 b/w print.

2004-11-39: “L/R Mr. Karl C. Harr Jr. Spec. Ass’t to the President; Dr. James E. Mooney, Deputy Antarctic Projects Officer; RADM D.M. Tyree, USN, COMNAVSUPFOR ANTARCTICA; and LTCOL W. Turk, USAF, C.O. 61sst TCS at the South Pole Station during a resupply run. 1/27/60 NAF McMurdo; Marble, PHI”; same as 2004-11-9. One 8x10 b/w print.

2004-11-40: “L/R Mr. Karl G. Harr Jr. Special Ass’t to the President and RADM D.M. Tyree, USN, COMNAVSUPFOR ANTARCTICA at entrance to the South Pole Station, Antarctica. 1/27/60 NAF McMurdo; Marble, PHI”; same as 2004-11-10, but unsigned. One 8x10 b/w print.

2004-11-41: “L/R Dr. James E. Mooney, Deputy Antarctic Projects Officer and Karl G. Harr Jr., Special Assistant to the President look on as Lt. Douglas Madison explains about the icebreaker, USCGS “Eastwind” (WAGB 297). 1/23/60 NAF McMurdo; Barfield”; note: should read “USCGC “Eastwind” (WAGB 279)”. One 8x10 b/w print.

2004-11-42: “L/R WO Glen N. Drummond, USN explains weather maps to Karl G. Harr Jr., Special Assistant to the President of the U.S. and Dr. James E. Mooney, Deputy Antarctic Projects Officer at McMurdo Sound, Antarctica. 1/23/60 NAF McMurdo; Barfield”; one 8x10 b/w print.

2004-11-43: “Pole Station personnel preparing cargo to be loaded during C-130A supply flight. 1/27/60 NAF McMurdo; Marble, PHI”; same as 2004-11-8. One 8x10 b/w print.

2004-11-44: Karl Harr stands near the nose of a ski-equipped C-130A aircraft (or C-130D), on a snow runway. One 5x7 color print.

2004-11-45

Undated photograph of Karl Harr, seated. One 3 ¾ x 5 b/w print.

2004-11-46

Undated early photo of Karl Harr, seated; credit: U.S. Army Signal Corp. One 3 ½ x 4 ¾ b/w print.

2004-11-47

Undated photograph of men walking down street, mostly Royal Navy officers. Man in suit at second from right appears to be Karl Harr. One 4 ½ x 5 ½ b/w print.

2004-11-48

Photo of Robert C. (Bobby) Cutler speaking at a podium, Washington, D.C. One 8x10 b/w print.

2004-11-49

Group photo; Dr. James E. Mooney (second from right) and Cdr Herbert Whitney (right), with another naval officer and an unidentified woman. One 8x10 b/w print.

2004-11-50—54

Photos of group leaving on a MATS plane.

2004-11-50: full view of MATS plane ready for boarding; one 8x10 b/w print.

2004-11-51: Dr. James E. Mooney, left, and Karl Harr, right, at door of plane; one 8x10 print.

2004-11-52: Dr. James E. Mooney, right, and three unidentified men look at a magazine or book; one 8x10 b/w print.

2004-11-53: Dr. James E. Mooney, right, and two unidentified men stand at door of plane; one 8x10 b/w print.

2004-11-54: Dr. James E. Mooney, right, and two unidentified men wave from door of plane; one 8x10 b/w print.

2004-11-55

Photo of houses from street, place and date unknown; one 4 ¼ x 6 ½ b/w print.

2004-11-56—57

Photos of house in Sao Paulo, Brazil, taken Oct. 8, 1941. Credit: Leon Liberman.

2004-11-56: Interior view; one 6 ½ x 9 b/w print.

2004-11-57: Exterior view; one 7x9 b/w print.

2004-11-58—143

Eighty-six slides appearing to relate to Harr's trip to Antarctica, Jan. 1960.

2004-11-58: Map of bases on Antarctic continent, 1960. One color slide.

2004-11-59: Antarctic scene. One color slide.

2004-11-60: Karl Harr beside C-130D U.S.A.F. 485. One color slide.

2004-11-61: C-130D U.S.A.F. 493 parked on snow. One color slide.

2004-11-62: Karl Harr (left) and Dr. James E. Mooney at an Antarctic research station, aurora tower and American flag behind. One color slide.

2004-11-63: A street in what appears to be Hawaii. One color slide.

2004-11-64: A walkway among palms and trees. One color slide.

2004-11-65: View of the ocean, wave breaking in the distance. One color slide.

2004-11-66: Air terminal, Naval Air Station Barbers Point. One color slide.

2004-11-67: MATS plane with boarding stairs in place. One color slide.

2004-11-68: Harr, pipe in mouth, aboard MATS. One color slide.

2004-11-69: Unidentified man aboard MATS. One color slide.

2004-11-70: Unidentified man aboard MATS. One color slide.

2004-11-71: Unidentified man aboard MATS. One color slide.

2004-11-72: Unidentified LTC aboard MATS. One color slide.

2004-11-73: Harr reading aboard MATS. One color slide.

2004-11-74: A sunset in flight. One color slide.

2004-11-75: The Antarctic coastline. One color slide.

2004-11-76: Rocks (or iceberg) and water below. One color slide.

2004-11-77: Rocks (or iceberg) and water below. One color slide.

2004-11-78: Shot of Antarctica out the window of the plane, turboprop in view. One color slide.

2004-11-79: View of part of N.A.F. McMurdo, Quonset hut in foreground, Mount Discovery in distance. One color slide.

2004-11-80: Photo of Dr. Mooney (right), Harr (center), and unidentified man standing near bug nets. One color slide.

2004-11-81: Dr. Mooney (left), and Harr (right), with McMurdo Sound and Mt. Discovery in background. One color slide.

2004-11-82: Mooney (left) and Harr (right) stand with a sled in front of Scott's Discovery Hut. One color slide.

2004-11-83: Harr, Mooney, and unidentified man visit Vince's memorial cross on Hut Point, Mt. Discovery in background. One color slide.

2004-11-84: Icebreaker USCGC "Eastwind" (WAGB-279) near shore, moored to ice. One color slide.

2004-11-85: Icebreaker USCGC "Eastwind" (WAGB-279) near shore, moored to ice, with helicopter about to land. One color slide.

2004-11-86: Dr. Mooney (left) and Harr (right), with N.A.F. McMurdo and Observation Hill in background. One color slide.

2004-11-87: Two men (unidentified) stand next to a frozen-in yard oiler or YOG. One color slide.

2004-11-88: Shot of a building at McMurdo from a departing plane. One color slide.

2004-11-89: Shot of a building at McMurdo from a departing plane. One color slide.

2004-11-90: Three unidentified men at New Zealand's Scott Base. One color slide.

2004-11-91: New Zealand's Scott Base, mileages sign in foreground. One color slide.

2004-11-92: Karl Harr (front) with three other men, inside a building. One color slide.

2004-11-93: View of Sound with buildings in foreground. One color slide.

2004-11-94: Unidentified man cuts a birthday cake; Harr (center) looks on. One color slide.

2004-11-95: Shot from a plane taking off from or preparing to land at a ski-way. One color slide.

2004-11-96: C-130D Hercules aircraft at ski-way. One color slide.

2004-11-97: C-130D Hercules aircraft at ski-way. One color slide.

2004-11-98: Shot out the window of a C-130D, underside of wing and fuel tank. One color slide.

2004-11-99: Shot out the window of a C-130D, underside of wing and fuel tank. One color slide.

2004-11-100: Cockpit of a C-130D, with pilot. One color slide.

2004-11-101: Fuel drums inside cargo hold of C-130D. One color slide.

2004-11-102: Buildings sunk into the snow, and a RAWIN dome (radar weather balloon tracking). One color slide.

2004-11-103: Two men looking around above-snow at an Antarctic research station, aurora tower visible. One color slide.

2004-11-104: A Tucker Sno-Cat. One color slide.

2004-11-105: Men pulling empty cargo sled. One color slide.

2004-11-106: Men in front of Sno-Cat, crane. Image is partially obscured by double-exposure of film. One color slide.

2004-11-107: Inside a C-130D Hercules cockpit. One color slide.

2004-11-108: View of track-covered snow surface from aircraft. One color slide.

2004-11-109: View of surface of Antarctica from aircraft. One color slide.

2004-11-110: View of surface of Antarctica from aircraft. One color slide.

2004-11-111: View of surface of Antarctica from aircraft. One color slide.

2004-11-112: View of surface of Antarctica from aircraft. One color slide.

2004-11-113: View of surface of Antarctica from aircraft. One color slide.

2004-11-114: View of surface of Antarctica from aircraft. One color slide.

2004-11-115: Two men walking towards a Navy helicopter. One color slide.

2004-11-116: Three C-130D Hercules parked beside ski-way. One color slide.

2004-11-117: Four C-130D Hercules parked beside ski-way. One color slide.

2004-11-118: Very heavily-dressed man, probably Harr, standing with planes and tractors in background. One color slide.

2004-11-119: Ski-tracks on the ski-way used by the C-130Ds (two in distance). One color slide.

2004-11-120: View of Antarctic surface from cockpit of a C-130D. One color slide.

2004-11-121: View of Antarctic surface from cockpit of a C-130D. One color slide.

2004-11-122: View of Antarctic surface from cockpit of a C-130D. One color slide.

2004-11-123: View of Antarctic surface from cockpit of a C-130D. One color slide.

2004-11-124: An Antarctic base, Jamesway huts, with a mountain (probably Mt. Erebus) in the distance. One color slide.

2004-11-125: A man stands in front of an Antarctic base, a mountain (probably Mt. Erebus) in distance. Shadows make identification difficult. One color slide.

2004-11-126: A bulldozer parked on rock. One color slide.

2004-11-127: Snow seen from inside a Sno-Cat or small plane. One color slide.

2004-11-128: Cargo ship unloading at edge of ice, seen from an aircraft. One color slide.

2004-11-129: A base or supply depot on a rocky outcropping, seen from an aircraft. One color slide.

2004-11-130: Ships in the channel created by icebreakers, seen from N.A.F. McMurdo. One color slide.

2004-11-131: Image of ship in icy sound, Mt. Discovery in distance, seen from N.A.F. McMurdo. One color slide.

2004-11-132: A bright orange Navy helicopter on ground, props spinning. One color slide.

2004-11-133: Bearded man in parka and hat, unidentified. One color slide.

2004-11-134: The Chief Post Office on Cathedral Square, Christchurch, New Zealand. One color slide.

2004-11-135: Arial view toward the horizon, with farm fields (probably New Zealand). One color slide.

2004-11-136: Karl Harr (right) and another man, reading/writing in airplane seats. One color slide.

2004-11-137: Cathedral Square, Christchurch, New Zealand. One color slide.

- 2004-11-138: Trans Australia Airlines passenger terminal. One color slide.
- 2004-11-139: U.S. Navy Lockheed R7V-1 Constellation "Phoenix", boarding stairs in place. One color slide.
- 2004-11-140: A city street scene, daytime. One color slide.
- 2004-11-141: A city street scene, daytime. One color slide.
- 2004-11-142: A city street scene, daytime. One color slide.
- 2004-11-143: Appears to be men playing guitars, image is hard to see. One color slide.
